# Wentworth SubaruCity

**2008 MODELS HAVE ARRIVED!**

*Come see the newly redesigned  
2008 Subaru Outbacks, Tribecas and Imprezas*

**What's better than a hybrid?** A PZEV (Partial Zero Emission Vehicle) from WENTWORTH SUBARUCITY

### SUBARU SMARTWAY™ VEHICLES

We offer the most fuel efficient All-Wheel Drive vehicle lineup in America.

We offer Partial Zero Emission Vehicles (PZEV) certified Legacy, Outback and Forester models

Subaru PZEV vehicles have 90% cleaner emissions than the average new vehicle. Gasoline vehicles meeting PZEV emissions standards sometimes have even lower emissions than hybrid or alternative fuel vehicles.

Subaru PZEV vehicles are also US Environmental Protection Agency (EPA) Certified SmartWay Vehicles. According to the EPA, Outback, Forester and Legacy are among the cleanest and most fuel efficient vehicles available in the US based on air pollution, greenhouse gas emissions and overall fuel economy. Outback, Forester and Legacy are honored in the EPA's Green Vehicle Guide.

**See Wentworth SubaruCity for all the details**
